Honouring **Stephen Lewis**

1937–2026

With profound gratitude and full hearts, the Landsberg Lewis family is moved by the outpouring of love and support, and extends their deepest thanks to the Stephen Lewis Foundation and Toronto Metropolitan University for helping bring us together to honour Stephen.

Many have asked how they can honour Stephen and the values which he embodied. Please continue his legacy and lifelong commitment to gender equality and social justice by making a donation to the Stephen Lewis Foundation.

The Foundation works in solidarity with community-led organizations in 14 countries across Africa who provide care and support for young women and girls, members of LGBTIQ communities, grandmothers caring for orphaned children, and people living with HIV.

Make a gift in Stephen's memory
